OUR SACRED CONTAINER

We are Circling – Buffy Saint Marie

We are circling, circling together
We are singing, singing our heart song
This is family, this is unity
This is celebration, this is sacred

[Verse 1]

We are spiraling, spiraling together
Onward, inward, creature to creation
Holy mystery, Mother Earth, childbirth
This is Mother Nature, this is sacred

[Chorus]

We are circling, circling together
We are singing, singing our heart song
This is family, this is unity
This is celebration, this is sacred

[Verse 2]

We are spinning (Ah), spinning all together
We are singing over the rainbow
This is harmony, this is community
This is celebration, this is sacred

[Chorus]

We are circling, circling together
We are singing, singing our heart song
This is family, this is unity
This is celebration, this is sacred

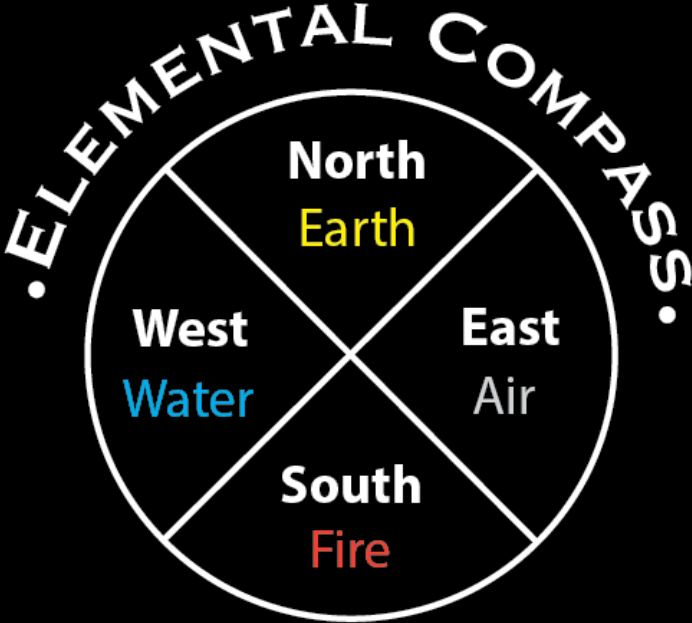

Elemental Song

CANDLE MEDITATION

SACRED CONTAINER.

Dreamers

are those sorcerers who have the inherent facility to enter into states of heightened awareness by controlling their dreams. This facility is developed through training into an art: the art of dreaming.

Stalkers

on the other hand, are those sorcerers who have the innate facility to deal with facts and are capable of entering states of heightened awareness by manipulating and controlling their own behavior. Through sorcery training, this natural capability is turned into the art of stalking.

Although everybody in don Juan's party of sorcerers had a complete knowledge of both arts, they were arranged in one faction or the other

WHEN A NAME IS BORN IN FRONT OF THE SEA

It's not just a ritual. It's the beginning of the road.

At wixarika baptism, the mara'akame and our grandparents present the girl or boy to the deities. In that sacred moment we receive a name in our language, a name that is not coincidence, it is destiny, memory and root.

That name connects to the bloodline, to the family history, and to the spiritual mission that will accompany you throughout your life. It's not a simple sound. It's a bond. It's identity.

In this image, a baby is presented to Tatei Haramara, Our Mother Sea. # In the Wixarika worldvision, the sea is not just water, it is origin, it is female strength, it is principle of life.

Fact that few people know Tatei Haramara is one of the most important sacred places for the Wixarika people. Each year pilgrims are made to their shores to give thanks, ask for guidance and keep the spiritual relationship with the sea alive.

No folklore here. There is cultural continuity. Resistance is alive.

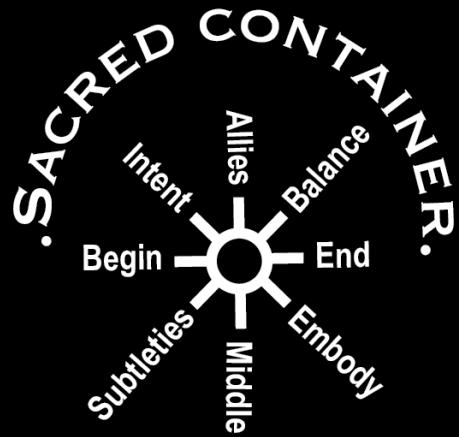

Because when a child is introduced to the sea, he is not just given a name... he gets history.

Can you imagine growing up knowing your name was spoken in front of the waves and offered to Mother Sea?

DEFINE YOUR OWN SACRED LIFE

Symbolically speaking, you cannot always take a costume or a tradition that is created by someone else for their ceremonies and expect to put that costume or ritual on and experience the same sacredness that they had. That's because it's not your costume. You need to design your own.

May the love of the goddess
